

Unlimited Services Systems Management and Consultants

THE REAL TRUTH: ABOUT GRANTS AND GRANTS WRITING?

Join Brenda Campbell nationally known Sr. Consultant of 25 yrs for this specialized day and a half Grants and Grants Writing training. Ms. Campbell has trained over 10,000 small businesses in all 50 states throughout the Nation. She has served as a Trainer for SBA for 4.5 yrs and has trained thousands of Federal Government Leaders, Faith Based and Non-Profit Organizations. She is also a successful grants writer who will show you how to write your grants.

WHO SHOULD ATTEND?

All Community and/ or faith-based organizations/ churches, academic researchers, educators, program planners, public sector and nonprofit professionals and administrators.

WHAT WILL YOU LEARN?

We will teach you everything you have always wanted to know about grants and grants writing. We can help you address many of the social and economic problems that face our nations. Leave a legacy and do it through writing a grant.

We provide all the essential services to assure winning and continuous funding for your projects. If you can vision it, we can show you how to implement it. We will show you where to find funding for vocational/education, training, social programs, youth programs, homelessness, senior programs, technology, research and quite a few other programs.

Seminar Includes:

- Comprehensive 10 section manual
 - Free Technical Assistance
- Develop Your Vision in Class
 - Limited Seating
- Lunch Will be Provided
- **TRAINING COST**
- \$200.00 prior to Scheduled Class Date in 2011 /\$225.00 day of the actual class
